

International Youth Peace Summit 2026 Newsletter

Edition #8 | July, 2026

Next Summit: 📍 The Hague | 📅 July 2026

What's New

The Youth Peace Charter Is Here!

One of the most important outcomes of the **Youth Peace Summit 2026** is now available: the **Youth Peace Charter**.

Developed collaboratively by our 150 participants from 61 countries, the Charter captures their ideas, recommendations, and commitments for a more peaceful and inclusive future. It reflects three days of dialogue, collaboration, and action, inspired by the belief that young people are not only the leaders of tomorrow, they are already leading today.

We are proud to share the Charter with our participants, partners, and wider community, and we hope it will inspire many more young people to take action for peace in their own communities.

What's Next?

Although this is our final newsletter before the summer break (the next newsletter you will receive in September), the **Youth Peace Summit team is far from taking a break.**

Planning for the next edition has already begun. Together with our growing international network of participants, volunteers, partners, and supporters, we are building on this year's success to make the next Youth Peace Summit even more impactful.

Would you like to help shape the future of the summit? We are always looking for enthusiastic volunteers to join our international organizing team. Whether your interests lie in communications, programme development, partnerships, fundraising, logistics, or participant management, there is a place for you.
